REUSABLE CUP FOR FEED STATIONS

When collecting your race pack, all participants receive a cup to be used at the feed stations as we have eliminated single-use cups from the event due to environmental issues. Bring this foldable cup along to the race to make sure you keep hydrated at the stations. (Note: the use of this specific cup is not mandatory; you can use any cup of your choice.)

POST-RACE KIT

Your post-race kit refers to the non-race clothing you turn up to the race in and want to have back at the finish—don't confuse this section with your obligatory equipment. When you collect your race number you will receive a sticker with your race number on it. Stick this number on your own bag containing clean clothes for after the race.

Drop this bag at the designated spot at the start and these will be transported by the race organisers to the finish zone.

POST-RACE FOOD

Athletes in the Kia Fjällmaraton and the Ottsjö 12K will be served simple food in the food tent at the finish in Ottsjö. Each athlete has two race numbers; one of these will serve as your meal voucher.

Spectators and supporters will be able to purchase food in the finish arena.

SHOWERS & TOILETS

There's a prime bathing spot in Ottsjö lake located around 700 metres from the finish. Toilets will be available in both the start and the finish zones.

RULES

- Runners must follow the marked route. Deviations from this route are forbidden.
- All participants must be aware of the inherent risks when competing in an off-road running event like this. Any seriously injured athletes will be escorted to safety as quickly as possible by the event's designated first-aid staff, however, the weather and terrain conditions can affect the speed with which a rescue can be carried out. As such, it is essential that athletes adhere to the obligatory kit list.
- All litter, including gel wrappers, bottles etc., must be carried until you reach the nearest checkpoint or the finish line.
- We ask that all competitors take responsibility for their own wellbeing as well as those around them. As such, we expect you to take care of an injured athlete until help arrives.
- If an athlete wishes to pull out of the event, you have to inform the nearest staffed checkpoint.
- While support is not essential, it is permitted at feed stations. Athletes may not receive support along the route.
- We have zero tolerance towards doping and cheating.
